Dear Ma'am:

I hope this letter finds you well. I am writing to formally request an internship certification for our students, **Donel Y. Bautista** and **Raian Randell B. Valdez**, who are currently undergoing their on-the-job training (OJT) at your organization.

Both students are Bachelor of Science in Information Technology (BSIT) candidates and are expected to graduate this June. As part of the graduation requirements, the Registrar's Office requires an official certification from your company confirming their ongoing internship and expected completion by May. This certification is necessary for submission to the Commission on Higher Education (CHED) to facilitate the processing of their Special Order (SO) number application, which must be completed at least two months before their graduation.

We would greatly appreciate your prompt assistance in providing this certification at your earliest convenience. Should you require any further details or have any questions, please feel free to contact me.

Thank you for your time and support in helping our students fulfill their academic requirements.

Sincerely,

Respectfully yours,

Chenee A. Naluz
Internship Adviser
